

# JAMIE ROBERTSON

## ABOUT ME

I've always known I wanted to be an actor (though I came to it later in life than some.) In 2018 I took the leap (not literally) from my roofing job to follow my dream.

Since then I've been lucky enough to take on a range of projects. I have completed several feature films including 'Prototype' Dir. Becca Hiraini, 'Beneath the Surface' Dir. Scott Jeffrey and 'Medusa' (debuted at the Soho Horror Film Festival), commercials including 'Travis Perkins', Clear Head Productions and 'ASCND: Chase to Freedom' with YouTube parkour star Nightscape, music videos and short films including 'T.I.M:This Is Me' (alongside British acting legend Melvyn Hayes which was a semi-finalist at the Hollywood International Moving Pictures Film Festival and official selection for the London City Film Awards and the LA Feedback Film and Screenplay Festival).

Theatrically my highlights have included Bill Sykes in Oliver and Renfield in Bram Stoker's Dracula.

I am also an experienced presenter - having presented regularly online for luxury brands (with + 1.5 million views.)

I recently featured in 'BNI: Justice film' Dir. Ben Darkwa and 'Blood in the Water', Becca Hiraini - soon to be released in summer 2022.
